INTRO

Hi there!

Thanks for taking the time to download our handy Parking Guide.

Those of you familiar with our hometown (Somerset's County Town, Taunton) will know that the site next to our building (Coal Orchard) is undergoing some exciting redevelopment. We're looking forward to seeing the finished results, but for now the Council-owned car park - and surrounding access routes - next to our building will not be accessible.

Throughout the following pages you will find suggested routes and information on local car parks to help you plan your visit to The Brewhouse. So the next time you come to see some incredible dance, watch a movie or take part in one of our workshops you'll know exactly where to park and how to find us.

We've picked some of the closest car parks to our venue with a walking distance of no more than 10 minutes - so don't worry - you won't need to plan a hike or bring a compass just to find us!

We're looking forward to seeing you soon.

Happy travels,

The Brewhouse Team

ON SITE ACCESS

BREWHOUSE/COAL ORCHARD, TA1 1JL

Gone, but not forgotten.

The large Coal Orchard car park may be gone, but the council have worked with us to minimise the disruption on your visit, providing us with a new drop-off point for patrons while setting up a smaller, temporary pay-and-display car park on the old Coal Orchard site.

THE BREWHOUSE - REAR DROP-OFF

Part of the Coal Orchard closure means that we have lost the drop-off point at the front of our building permanently. **But fear not!**

If you need to drop-off a friend or family member for an event, you can make use of the newly designated area at the rear of the building, providing easy access to our improved 'Coal Orchard Entrance'.

This drop-off area can be found at the rear of The Brewhouse, next to the Brian Rose Gate entrance to the Somerset County Cricket Ground.

COAL ORCHARD - TEMPORARY PAY-&-DISPLAY

Redevelopment of the council owned Coal Orchard car park means that we have permanently lost the parking spaces next to our building. In the meantime, temporary measures have been put in place to cater for those wishing to park next to The Brewhouse.

On the site of the old car park - just before the mini-roundabout next to The Brewhouse - you can find a small, temporary pay-and-display car park. Additional details can be found below.
